EXCLUSIVE PROGRAM WITH FORTEGRA

CONVELO
INSURANCE GROUP

Management Liability

The leaders of nonprofit human service organizations play a vital role serving our communities, and face unique risks as a result. Convelo is proud to support their important work by providing insurance coverage to protect nonprofit leaders and their organizations. Our Management Liability program provides the peace of mind that nonprofit leaders need to focus on advancing their mission.

Flexible Coverage

Our exclusive program with Fortegra is designed to give nonprofit clients the flexibility to choose which lines of management liability coverage are relevant and necessary to protect their work. The core package policy includes Directors & Officers Liability, with options to add coverage for:

- Employment Practices Liability
- Fiduciary Liability (coming soon)
- Workplace Violence (coming soon)
- Internet Liability (coming soon)

Coverage includes punitive damages where insurable, and our exclusive Fortegra Solution Endorsement is added to all accounts for no additional premium.

Easy to Extend

When you work with Convelo, you get easy access to solutions specially designed to support clients in the nonprofit human services niche. This Management Liability program is often paired with our Nonprofit and Human Services program with Church Mutual, which offers comprehensive coverage including package, auto, workers' compensation and excess.

Convelo has decades of experience securing quality coverage for human service organizations, enriched by strategic partnerships. You can lean on our expertise to help you win your clients' business and trust by offering the best possible protection.

Rather than being a generalist wholesaler, Convelo provides access to and expertise in the non-profit and social services niche that we value highly. It's a benefit to work with a team who understands this industry segment.

- Kevin Purvis, CPCU, Managing Partner, Cothrom Risk & Insurance Services

Ease of Doing Business

Convelo is easy to do business with. All we need is:

- Management package application
- Loss runs
- Audited financials
- Form 5500 (if quoting fiduciary liability)
